WORK EXPERIENCE

SR. TECHNICAL RECRUITER

January 2016 - January 2017

Talent Navigation Experts (Denver, CO)

- Full life cycle recruiting from sourcing for new candidates to placing candidates at client.
- Produced over \$490,000 in recruitment revenue from June 2015 through end of 2016.
- Created interactive candidate and compensation tracking systems in Microsoft Excel to make the recruiting process more efficient and properly focused; brought great clarity to a confusing commission program.

TECHNICAL RECRUITER

June 2015 - January 2016

Talent Navigation Experts (Denver, CO)

- Successfully learned the proper closing techniques for candidates on their offers.
- Developed a general understanding of computer science and information technology.

SKI INSTRUCTOR

December 2013 - March 2015

Vail Resorts (Beaver Creek, CO)

SERGEANT

March 2008 - January 2012

United States Marine Corps (29 Palms, CA)

- Deployed twice overseas to Helmand Province, Afghanistan with 3rd Battalion 4th Marines infantry unit as part of OEF.
- Awarded the Navy and Marine Corps Achievement Award for designing a mathematical polar plot program in Microsoft Excel to more accurately determine enemies' locations and increase the lethality of the unit; disseminated throughout the ranks and widely used in combat today.
